

To all Benefit Eligible Employees:

Representatives from Aflac will be visiting your building or department during the months of March, April and May.

Ideally they would like to speak with each employee individually in order to customize coverage selections and provide specific premium quotes. We've had several employees receive compensation through their enrollment with Aflac, so please take a moment to hear what they have to offer.

The policies include:

- Hospital Coverage
- Accident Coverage
- Cancer Coverage
- Short Term Disability Insurance

Although the Town doesn't contribute toward the costs, the rates are competitive and the premiums can be deducted directly from your paycheck. In some cases the coverage can even include family members.

Employees with a weekly pay schedule:

Coverage period is May 1, 2015 through April 30, 2016

52 Weekly deductions will begin May 7, 2015

Employees with a bi-weekly pay schedule:

Coverage period is September 1, 2015 through August 31, 2016

10 Monthly deductions will begin September 3, 2015

If you are currently enrolled in a policy offered through Aflac your enrollment and deductions will continue automatically
